Picturesque Banff Canadian Rockies

The leading Summer Resort in the Dominion of Canada. Situated in the Canadian National Park—a National Reservation of 5732 square miles, embracing parts of the valleys of the Bow, Spray, and Cascade Rivers, Lake Minnewonka, and several noble mountain ranges. The Park is the largest in the world, being nearly half as large again as the famous Yellowstone Park in the States. Banff Springs Hotel, operated by the C.P.R., is magnificently situated at the junction of the Bow and Spray Rivers, 4500 feet above the sea level.
